

Agreement for use of RESTORE2™

RESTORE2™ is a physical deterioration and escalation package designed specifically for residential and nursing homes. Developed by NHS West Hampshire Clinical Commissioning Group in collaboration with the Wessex Academic Health Science Network, the ambition is that the package remains free to use across any relevant healthcare provider and supports the standardisation of physical deterioration management locally and nationally.

Terms of Use:

This agreement entitles the named organisation to access and use all of the paper based RESTORE2™ deterioration and training products (including RESTORE2™ and RESTORE2™ mini) and to disseminate these amongst relevant providers of healthcare as part of physical deterioration initiatives within their locality.

- This includes use the trademarked RESTORE2™ term and logo
- Use of RESTORE2™ and RESTORE2™ mini
- Use of training materials copyrighted to NHS West Hampshire Clinical Commissioning Group

Under the terms of the agreement:

- Organisations commit to actively supporting roll out of RESTORE2™ in their areas, working collaboratively with residential/nursing homes and stakeholders to ensure the success of the project
- Organisations agree to support the further development of the RESTORE2™ packages by participating in the RESTORE2™ Project Advisory Board
- Organisations agree to share evaluations of local work, including statistical analysis, qualitative data and case studies with the RESTORE2™ Project Advisory Board to support the development of RESTORE2™ and roll out in other areas
- Organisations are actively encouraged to put forward their work for local and national recognition, either individually or collectively through the RESTORE2™ Project Advisory Board and commit to acknowledge the use of RESTORE2™ in any of these submissions
- Organisations cannot charge third party organisations for the use of RESTORE2™ except to recover reasonable costs for expenditure incurred as part of rolling out RESTORE2™ (e.g. charging a small fee to cover training events/room hire/materials)
- Organisations cannot amend or add to the RESTORE2™ tools (RESTORE2™ and RESTORE2™ mini) without prior approval of NHS West Hampshire Clinical Commissioning Group
- Organisations can if they wish add their logo's to RESTORE2™ and RESTORE2™ mini
- Copyrighted material cannot be amended but can be added to for localisation and training needs
- Organisations cannot enter into commercial arrangements with third parties, or share the intellectual property relating to RESTORE2™ with non NHS providers e.g. commercial developers.
